About You & Your Organisation

Tell us about your organisation or business

We are an Aboriginal-owned landscaping business operating in our local area.

We:

- Provide residential and small commercial landscaping services
- Employ local Aboriginal workers
- Support skill development and on-the-job training

Our work contributes to:

- Employment opportunities
- Local economic participation
- Community pride through improved spaces

We have steady demand and want to expand our services.

How long have you been operating?

- Less than 6 months
- 6 - 12 months
- 1 - 3 years
- 3+ years

Funding Activity

What will you do with this funding?

We will:

- Purchase a trailer
- Purchase landscaping equipment
- Complete a short training course in irrigation systems

This will allow us to take on larger jobs and expand our service offering.

What will increase or improve in your organisation as a result of this funding?

- Increase our ability to increase the number of jobs we can take on
- Expand services to include irrigation systems
- Increase monthly job volume and overall revenue
- Improve efficiency through access to appropriate equipment

Application Form – Mibilla Foundation Grow Grant

What challenge or opportunity will this funding help address?

We have to turn down larger jobs due to lack of equipment and we can't offer irrigation services to clients.

Funding will mean we can purchase the equipment we need and expand our business to offer more services.

Impact & Benefit

Who will benefit from this and what difference will it make?

- Creation of 1 - 2 additional employment opportunities
- Staff will gain new skills through training and on-the-job experience
- Clients will have access to a broader range of landscaping services
- Increased income will support long-term business sustainability

How will you know it's making a difference?

- Our services will be increased including offering irrigation services
- Increase in number of completed jobs
- Increase in revenue
- Take on additional staff
